

Lesson: Montana Project

You will be studying Montana this month, and each of you will write a 12-page report with one page being on each of the following. Please take notes each day so you will be able to finish your report. You will also be giving a speech on what you found out about Montana. When everyone is done, we will have a pizza party.

Page 1: Climate and weather

Page 2: Geography

Page 3: Natural resources

Page 4: Famous artists and museums

Page 5: National and State Parks

Page 6: recreational opportunities

Page 7-8: Indian Reservations, historical sites and battlefields

Page 9: Government and state capitol

Page 10: Jobs and economy

Page 11: Your favorite things about Montana

Page 12: Bibliography
